## **The Protection Service Ltd.**

TPS is a leading company that provides comprehensive security solutions and training services to our growing clientele in the UK and globally. We are a registered limited liability company in the UK with expanding tentacles all around the world. We offer bespoke services to high net worth individuals, organisations and countries using our team of experienced security experts and trainers within and outside the UK.

TPS provides bespoke security solutions to meet your unique business needs. Our pride is rooted in the quality service our clients enjoy at all time. We are an innovative organisation that strives to provide unequal level of service that our competitors cannot match.

### **Why Choose The Protection Service?**

We take the view that no two assignments are alike.

Our custom made security services are designed to ensure all the particular requirements of each assignment are clearly identified with the service provision structured to meet those requirements.

#### **This is achieved by:**

- Remaining flexible to our customers changing needs and requirements.
- Selecting the right personnel for each assignment.
- Remunerating them with the right level of pay.
- Roster employees to work sensible hours.
- Provide professional and ongoing training.
- Attentive, proactive and supportive management.
- Regular monitoring of the service provision.
- Providing quality of service over all else

## **Security Solutions with a Difference**

## What We Do

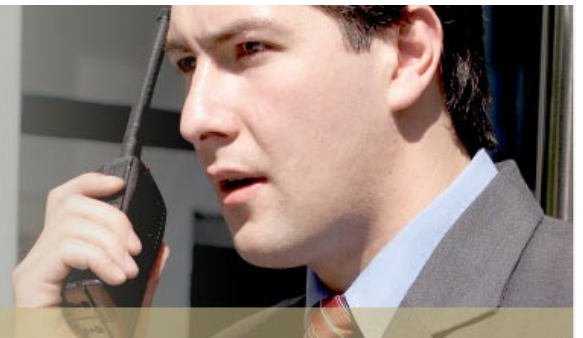

We provide a range of varied services which include provision of both manned and mobile security personnel, training and security consultancy. Our scope of operation is global with offices in the UK (London and Birmingham), Nigeria (Lagos and Abuja), India and proposed locations in Kuwait, Dubai, Egypt, Kenya, South Africa, Ghana among others. We also offer VIP Close Protection services to high net worth individuals and organisations anywhere in the world.

TPS offers regular and bespoke trainings to individuals and organisation within and outside UK on all aspects of security training which includes: Door supervision, Security Guarding, Close Protection covering critical subject areas like Conflict Management, physical intervention, We also offer First Aid training, Health and Safety .....

We provide consultancy services in the provision of security advice, planning and policy for organisations anywhere in the world. A special area we give consultancy is to organisations going to new countries security and safety briefs, security personnel and equipment.

TPS provide a one shop service to start-ups in the security industry with advice and support in idea generation, planning, market scoping, company registration, opening a bank account, website development, training of personnel, getting accreditations, sourcing for clients.

## Security Solutions with a Difference

[www.theprotectionservice.com](http://www.theprotectionservice.com)

***"At The Protection Service we believe our people are at the very core of our success and are the fulcrum of our excellent service delivery."***

## **Our Team**

We have a world class team of security experts, trainers and facilitators with multiple sectoral experiences in the military, police, private security, media, legal and engineering. Our team are quite mobile and are available to travel anywhere in the world.

## **Our People Philosophy**

The Difference Between one Organisation And Another Is The Performance Of Its People.

We consider the selection of people to carry out and manage the duties entrusted to us by our customers vitally important.

We therefore take the well being of our people very seriously. Staff employment package should reflect the responsibility of the tasks they are performing.

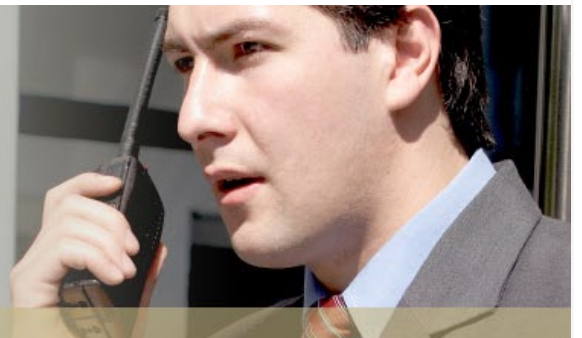

In an industry known for low pay and long hours we consider **SELECTION** of the **RIGHT PEOPLE** for the **RIGHT JOB**, **REMUNERATED** with the **RIGHT LEVEL OF PAY**, working **SENSIBLE** hours enable us to attract and retain high calibre personnel more often than the competition.

Add **PROFESSIONAL TRAINING**, **SUPPORTIVE** and **INCENTIVES** the **MANAGEMENT**, **REWARDS** result is a **MOTIVATED WORKFORCE** that **PERFORMS BETTER** more often providing **CONTINUITY** and **CONSISTENCY** of service.

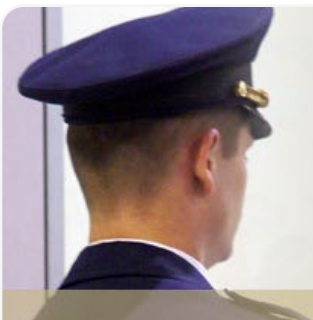

## **Associated Services**

At The Protection Service we believe its people are at the very core of its success and can make the difference between one organisation and another.
